Liz - Stopped back in the office this evening to pick up both cell phone! So I logged back in to give you Hennis' access agreement. Good luck and perhaps I can assist with the phoning on Monday as we have a little reprieve on all the responding to the City/County letter.

I will work on drafting the "short & sweet" letter to ythe City/County sometime over the weekend and have a copy for review on Monday AM.

Paula,

The attached access is effective through 2015, so you should be covered for any sampling planned – unless you have included new areas. However, this includes your list of properties from 2014.
